

PEDRO J. FUENTES-CID

OBJECTIVE

To continue in my efforts to liberate Cuba.

EXPERIENCE

1989-Present Attorney At Law

Specialized in the Area of Torts

- ❖ Practice law in offices located at 255 Alhambra Circle, Suite 550, Coral Gables, FL 33134 and 2805 North Armenia Avenue, Tampa, FL 33607.
- ❖ Have successfully settled or tried approximately 3,000 automobile accidents, slip and fall, medical malpractice and nursing home abuse cases.
- ❖ Have written legal articles and actively participated in radio and T.V. programs advising people in the community of their legal rights.
- ❖ Provide a minimum of 100 hours of pro bono work yearly to needy Cuban ex-political prisoners and other members of the community.

2002-Present Consejo Presidio Politico Cubano

Spokesman

- ❖ In a joint effort, helped organize the aforementioned organization along with several presidents of Cuban ex-political prisoners' groups in order to better serve the Cuban cause. This allegiance has since then participated in several important national and international events. We calculate the population of Cuban political prisoners nationally to be more than 45,000 individuals plus their families.

1986 Miami Children's Hospital

International Programs Coordinator

- ❖ Helped organize the first-ever interactive, international satellite teleconference in the area of pediatrics linking sixteen nations through a program called "Child Survival". This program was commended by President George Bush Sr. as well as several Latin-American presidents. Aforementioned program received wide coverage in the international media.

EDUCATION

1989-Present Seminars

- ❖ Continuing legal education.

1984-1989 University of Miami - School of Law

- ❖ Juris Doctor.

1979-1981 University of Miami – School of Advanced International Studies

- ❖ American Bar Association

VIVA CUBA LIBRE!

This topic will be a comparison of life of political prisoners before 1959 and after; also will get into the birth of Cuba's intelligence apparatus and its evolution.

CONDITIONS IN MY ALMOST 16 YEARS AS A POLITICAL PRISONER

A description of my personal experiences as a political prisoner, starting with my arrest, trial by a military tribunal at La Cabana prison in Havana, and the following nightmare at Isla de Pinos and other concentration camps, etc.

POLITICAL PRISONERS TODAY

Who are the political prisoners in Cuba today, their living conditions and the reason for their sentences.

DIFFERENCES IN REPRESSION FIDEL VS. RAUL

Showing the differences between the two brothers, executions, reason for sentencing, etc.

THE DISSIDENT MOVEMENT

Information about different dissident movements existing in Cuba today.

The presentation will also dwell on the political situation in Cuba today as well as on possible future scenarios.
